A puppy for Peril

Moderator Sarah E : admin

Okay, that's a terrible idea, but here's where I'm going with this. We have seen some dragons have pets... sloths and scavengers come to mind.

Are there other pets you could imagine in Pyrrhia or Pantala? What kinds of pets would you pick for your favorite dragons, and what names would you give them?

Who would carry their pet everywhere in a giant purse around their neck, or have them sleep on a giant royal cushion on top of a pile of treasure? Who would only want a pet as a guard?

.....If I were a dragon, I would definitely want a sloth.

Currently inactive but counting down the days till....

why are uppercase and lowercase letters a thing? why don't we just write in all caps or all lc.? it's basically just western languages that do this? is this another relic of our eurocentric mentality and world? if so, i reject this way of life

Quibli should have a golden retriever, Moon should have a cat, Sunny should have a sloth, Clay should have a reptile that looks really unappetizin (Somhe doesn't eat it) Cricket should have a Scavenger, and Starflight should have a gerbil/Seeing eye dog.

scarlet will need two dogs dressed up in beautiful gold and jewels so she can still be a loving mother, but to something that won't try to kill her every 2 seconds.
Moon could totally have a family pet with qibli even if they aren't ready for dragonets, maybe even a scavenger from sanctuary!

my oc seashell barges in, as usual "LET ME GET A SLOTH, NO! TWO SLOTHS! ONE FOR ME AND ONE FOR BLOODBRINGER!" My oc needs to stop, and bloodbringer belongs to my best friend on the forums drawingdragon1082, as you can tell seashell has a huge crush on her "YA BET I DO!" See what I have to deal with?

Darkstalker would have a kitten named Miss Flooflepaws

Sunny has a weird white crab named Snow

Albatross has a super cuddly dog that he always hugs at the end of each day and tells all his secrets and problems to, especially the problems about his sister misusing his power. The dog's name would be... Bear because it's either an Irish Wolfhound or a Great Pyrenees

Kinkajou would have a playful parrot named Rainbow who's always repeating things it shouldn't and then going, "Ruhrow" (like Scooby-Doo)

Tsunami would have a cat. And their favorite thing to do together is to watch the students at the Jade Mountain Academy and judge everybody in silence, eyes narrowed, tails flicking in sync

Clay would have a puppy named Hoover and they love to eat together

Starflight has a pet mouse named... Mouse. Mouse enjoys helping Starflight find specific scrolls and will push them onto the ground before rolling them to Starflight

Fatespeaker has a seal pup that she made a harness for and has it riding on her back all the time. Somehow, at one point, there was animus who enchanted the seal so that it doesn't NEED to be in water the majority of the time. The Seal always listens to Fatespeaker whenever she starts spilling out her "visions" and will bark excitedly with her

okay so...

Moon would have this cute little owl who sits on her shoulder while she is reading.

Starflight's gerbil would help him organize scrolls!

Turtle would have a fish that he tries really hard to take good care of and he ends up winning a pet show.

FOESLAYER WITH A WOLF!!!

Kinkajou has an adorable marmoset.

Tsunami would probably have a huge dolphin who would be best friends with Anemone's little zebra shark.

Winter would totally have a cat who he pretends to hate!

Imagine Tamarin with this tiny bumblebee who helps her find flowers...

Clay would have a baby hippo who he thinks is too cute to eat.

Peril's dog seems like a hellhound but is actually really sweet and playful.

Deathbringer with a friendly little snake who is so cute and likes playing with Silver.

Sunny would keep one of her weird white crabs or maybe a lizard.

Blue with a giant panda for some reason.

And Cricket, of course, would have a scavenger.

Clay has an adorable and playful grizzly bear.
Tsunami has an oddly friendly great white shark.
You know what Glory has.
Starflight has an owl(with cute little glasses and a lightning scar on its forehead... wink wink).
Sunny has a Komodo dragon(dunno why. It just sounds cool).
Moon also gets an owl.
Winter gets a polar bear.
Peril gets an oversized Rottweiler.
Turtle gets a cute sea turtle(lol).
Qibli gets an dog with an uncanny intelligence.
Darkstalker gets a black falcon.
Clearsight gets a Snowy owl(why do I keep doing owls?).
Fathom gets a fish.
